Hello, I met Christine many years ago and had the pleasure to spent a few days together. I found her to be a very easy person to talk to an a very polite person.I just regret that I never got over to meet her family who she was very proud of, living in England is not so easy to visit the USA. My thoughts go to her children and grandchildren. May God look after her RIP. From her sister Lesley.

Tom,

So saddened by your loss. Praying that God will draw near to bring you strength, comfort and peace. So hard to keep losing former co-workers and/or their family members from my years at the Davis County Hospital. Time marches on.....
