“ I am so sorry to just learn of Bill's passing. I knew him from several years back when I attended Davis County High School. During the summer I was working at the school bus garage. where I met Bill. He talked to me about making extra money with him putting up hay. I really enjoyed working for him. He was hard working and fair. Some of my favorite memories are from putting up hay with Bill. One time he invited me to go coon hunting with him. We went out somewhere but had no luck. We went back to his house but his wife wasn't feeling well that night so he stayed home but said I could go out in his pasture. Being a young teen, this was my first time being by myself coon hunting. The area was like one big open area with one tree standing pretty much by itself. It had 4 coons in it. I ran back to Bill's house to see if he wanted to help. He did. I don't remember if we got all of them or not. I still remember he had a nickname for me which was "Hoover." I will never forget Bill.

I was born and raised in Bloomfield, Iowa. I currently reside in Lawton, OK. I retired from the US Army in October 1996 after 20 years, 8 months and 13 days of service.

“ Bill was part of our school family during Springville School days. Bill and Jim were in the same grade. Our memories of those days and the friendships we shared with all the kids are special. Although several of them have left this earth, their memories live in our hearts. Remembering laughter at recess, a nod of approval from Mary Ellen, or a shy, sweet smile from Bill makes those people and days our favorite moments in life.
