“ I vividly remember Frances in my days of youth; & in later years , I would occasionally see her in Ottumwa. Frances was always kind ...someone who blessed my life & the lives of many others, I'm certain. My thoughts, prayers, & sympathy go out to the many who will miss such a special person.

“ My thought and prayers go out to the family on this time of sadness. Frances was on my class at Davis County high school and we shared home room together with miss good as our teacher. Frances had a smile on her face 24/7. She was sure to wave and say your name between when we were traveling to and from classes . Cheerfulness and kindness was her way of living. Roberta Archer

“ I was a classmate of Frances' at Davis County High School. I hadn't seen her for years but was at Good Samaritan not long ago. She called me by name. Frances was a friendly, caring person. Connie R. Van Horn Denny
