“ Hello Rex, Ray and Jimmy, sorry to hear about the loss of your mom. I have a lot of good memories of your mom. She had a special smile and from my perspective was soft spoken. It is difficult to loss our mother. They hold a special place in our hearts and mold us into the person we become. No one can fill those shoes. Our moms were teachers in the one room schools, a thing of the past, but an important part of building the world to today. I don't think they had any idea how they were part of building the future of many lives. You will miss her dearly, but she will always be with you in your heart and part of who you are. Our moms never wanted to live in a nursing home. I believe they are both with the Lord now. May your memories bring a smile and warm your heart. Donna Horn

“ A lovely woman has left this earth, but I'm sure her wonderful smile will always be remembered by her family and will continue to warm the hearts of others in her life beyond. Mary Anne strongly supported education and was very appreciative of the efforts of teachers. A visit with Mary Anne was uplifting for me as a teacher and mentor of Davis County children. To Scott who I knew best: I think of you when I visit the library in Centerville that you often utilized. I did not realize until recent years the beautiful architecture of the building. I'm sure your Grandmother encouraged the educational efforts of all of her grandchildren.
