“ There are no words to describe the loss of someone so close to our family. We were just discussing this the other day it felt like we lost an "uncle" Going back to Stiles will seem strange not to see Deano there asking how were doing. Praying that all the good memories help you through this time of grief. Let God, Friends and Family be a comfort to you. You are not alone.

“ Sandy and family, David and I pray for strength for you and your family at this time of your loss of Deano. He was such a great man and was always there for us as a kind neighbor and friend. He plowed the snow from our driveway when we needed him without hesitation and would never take money for doing it. David enjoyed visiting with Deano from time to time too. We rejoice he's with Jesus, but so sad for your loss. David and Diana Simmons

“ Dick, Sharon and Roger, I was saddened by the news I received from my brother Tom the other day about the passing of Deano. I have only fond memories of growing up as a neighbor to the Sargent family. I was always made to feel like a member of the family. It was always nice to see Deano when he was able to come to his class reunion. Judy would always tell me to stop by. Again, I am truly sorry for your loss.

“ My thoughts and prayers to the entire family of Deano. As a classmate of Sharon and neighbor of the Sargents I knew Deano well. He always was kind and considerate. He was by far one of Auburns best athletes and in a school with many great athletes that is saying a lot. Rest in Peace Deano.
