“ Sadly, we have lost another pioneer and icon of the sport of tractor pulling. Mr. Allen White was instrumental and involved with all forms of tractor pulling. He was a supporter and charter member of the National Antique Tractor Pulling Association (NATPA) for many years. Allen, along with his close friend and son Jeff, campaigned pulling sleds all around the mid-west region. Allen was one of the kindest people that I have ever met. I looked forward to seeing his big smile at every pull and sharing in great conversations. It's so hard to say goodbye to such a nice person! He left such fond memories with me that I will now cherish. I feel honored to say that he was my friend. My thoughts and prayers are with the Allen White family and friends. He will be forever missed.  
God Bless – NATPA President Bob DeBerg

“ Dorothy and boys,  
Sorry to hear of your loss. I have always enjoyed Allen both as a boss and friend. Many fond memories from working on the farm, milking cows, freezing corn, wrestling on TV, dinners and many more. Know that Alle (dad) is in a better place. Most likely he has the pipe fired up again and a twinkle in his eye. Prayers to you all. I'm sorry as I'm not going to be able to come, but you will be in my thoughts.
