“ *I am grateful to have known Barbara. She had a grace and dignity about her that showed her respect for others. Barbara would notice when someone needed support and provide it, sometimes with a sparkle in her eye. The day she shared that she was the one that sent Dad the weekly flier from the church, but didn't put her address on the envelop, eyes sparkling. RIP. Betty Jones*

“ *I have many fond memories of Barbara. One that stands out the most is when I travelled with Barbara and her family to Hammon, OK. We were all a part of a 6 week service project with a Southern Cheyenne Community. Barbara and her family continued south to Mississippi after the camp. The commitment you and Bill made to work with youth in OK and then with a larger community in Mississippi for a year left a lasting impression on me. I deeply appreciated the way Barbara could talk to my mom and help her in times of her emotional distress. Barbara, in my mind, was one of the pillars of my time at Pulaski Mennonite Church.*
