“ So sorry to hear of your loss. I worked with Betty in the kitchen at the DC Schools. Enjoyed her very much. Such fun and so pleasant to be around. Will miss seeing her around her home, and sometimes I would stop by. Also remember her saying that Elmer Ray always had a glass of Ice Tea waiting for her after she got home from work so they could share their day together. How awesome that was. God Bless and keep you all and may your memories of your folks always bring you joy. Knowing we will see them again someday.
