“ *I was out west hunting and just found out about Blanche. We are so sorry for the loss of this wonderful lady! I am sure that the last years were hard for her and everyone and I am so sorry about that. She was one tuff lady and I will never forget the great stories she told! As soon as I seen this picture brought back so many memories, I can still see her attire she would wear them jeans, button up shirt and those shoes I loved, seems just like a few years ago! She was a special lady to all of us! Some of my best memories were from back in the day when she would take us all in for hunting! May she rest with peace and we will see her again one day!! Lots of love to her and everyone!! Kristie, Bryan & Austin*
