“ *I wish there were some way I could take the hurt and pain from you Derek and Lacy. Just know you aren't going down this road alone. You have many friends and family to help you both thru this. The Lord works in mysterious ways and this has always been the biggest mystery to me! I pray this message will take some of the pain from your hearts and help to end your sorrows! Sending hugs for all and may the good Lord bless and keep you both!*
