“ *Jeff and Family:*

My condolences to you on the loss of your mom earlier this week, Although it's been many years since we had contact, Jeff, I find that when I know long-time friends are hurting, I hurt too. Please know that you are being thought of today. May you be comforted by all the memories you have of your mom now and in the days/months/years to come. I lost my Mom in December so know that things are tough for you right now,
