“ I want to convey my deepest condolences to my dearest cousins Cindy, Sherry, & Dennis & extended Allen Family. Aunt Charlene was a very special Aunt like none other. She is with our Lord and Savior Jesus Christ Now I am certain!

Back in 1979-80, my dad Aunt Charlene's brother Robert and us three, lived in Bloomfield for two years. I was in middle school back then and those two years spent there were some of the most memorable years of my life, because I got a chance to know what kind of outstanding person aunt Charlene truly was, and also her beloved sister Rosemary Allen who was also an amazing beloved aunt, and their also wonderful beloved brother Laverne Baker, along my fellow Allen cousins were so wonderful and so great to me! They were the best family ever and it was a joy and pleasure to get to better know them all much closer at that time in my life. I often look back at the fondest memories of those two years!

Aunt Charlene was a super person! She was someone who was so kind, caring, friendly, warm, selfless, a true Christian who should the love of Christ in her every day living. She was always positive and upbeat and had the best heart one could ever have. She was an outstanding mother, and wife to Uncle Keith who adored her, and her cooking skills were excellent! Whatever she did she put her heart and soul into it!

She and my mother Maudine Baker, and Rosemary Allen were like sisters. And mom loved Charlene and her sister Rosemary so much! Charlene and Rosemary treated my mother like a sister and I will never forget that!

I love you Aunt Charlene! You will be so missed but in my heart Forever! Mark Baker, Marietta Georgia

“ Aunt Charlene was one of the sweetest ladies I have ever known! I will forever remember the special aromas as you entered her home of baking and cooking. She was most famous for her apple pie 🍏 and chocolate chip cookies 🍪. You could never get out the door without a care package. I also remember the homemade laid out on the table to dry. She was an excellent cook and everything was so delicious 😊 Once in awhile we would just drop by and a few times caught her hair rollers. She would always say “Oh my kids I haven’t got my hair done “and do her little giggle 🤭 It didn’t phase her because she had a heart of gold and always Boone arms with a hug 🤗 Family was important to her and she took very good care of everyone. We will miss that smile 😊 , her hugs and especially all the stories. I’ll never forget the one time before I moved back to Ia we had visited her and Uncle Keith and we were to leave in a couple of days and I got a call from her at Ken’s folks and she asked me if it would be ok to come and see us one more time that Uncle Keith wanted to see me again along with her too she said. I replied most certainly we always have time for you. I felt so blessed that they did as he passed that coming October and I was here in September. I’ll always cherish the times I spent with them. You will always hold a special place in my heart ❤️ Now you and Uncle Keith can hold hands and walk through heavens garden. 🌸 We love you so very much Aunt Charlene and will miss you terribly. Love you Always, Shelly and Ken

“ Deepest sympathy to Sherry, Cindy, Dennis and family,

Your mother's caring and kind leadership in our 4-H club is so appreciated! She impacted many lives, and helped shape us into the women we are today. My sisters and I were privileged to be some of her 'Lucky Maids'! She was a great teacher; patient and kind as she worked with us to learn new sewing, foods and home improvement skills for our fair projects.

Your mom reminds me a lot of my mom; they kept busy cooking, gardening, canning, sewing, doing farm chores and loving on their family. Such sweet souls!

*I'm sorry for your loss,

“ I remember my Aunt Charlene as far back to the early 1960s when Mom and Dad would load me in the car and drive from Dayton, Ohio to Bloomfield, Iowa for our summer vacation. This is one of my most favorite memories growing up to see all of the Allen/Baker family. Aunt Charlene, Uncle Keith, Cousins Dennis, Cindy and Sherry after we arrived at Grandma and Grandpa Baker’s farm for the week long visit.

After a day or two visit with Grandma and Grandpa, I was off to stay at Aunt Charlene’s house for the duration. Aunt Charlene treated me like one of her very own. She was so sweet and kind to all of us kids while burning off energy playing together. Over the years through the 1970s, I would always stay at her house. Her ability to do it all was so impressive like cooking, gardening, canning and shopping. Also she would be constantly keeping up with and staying on top of everything that her family was supposed to be doing, including Grandma Baker! She could multi-task like no other. Everything was done right—period! Aunt Charlene was also involved on the farm tending to the Angus herd more times than one could keep track of. Just recently a few months ago, she was helping Dennis tend to watering his cattle herd down on the farm next door where she lived.

Aunt Charlene also was very spiritual having the love of Jesus Christ, she always express her faith in Him and the love of her Drakesville Methodist church.

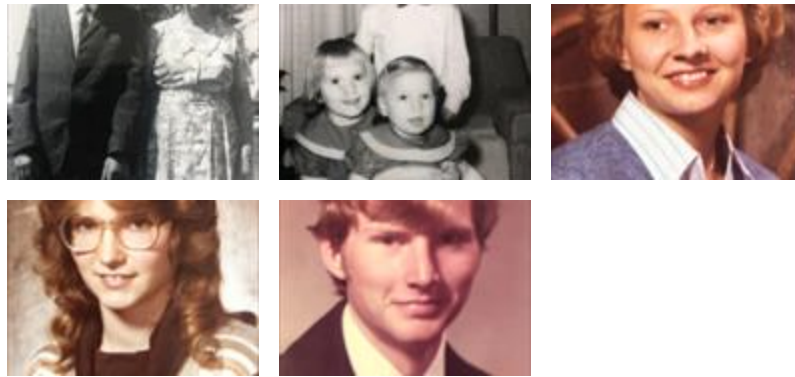

Thank you Aunt Charlene for being so kind to me, my family, my mother Maudine, my brother Mark, and especially my dad, your brother Robert, whom you visited long distance by phone during COVID-19 before he passed away three years ago at the nursing home in Atlanta, Georgia. He really enjoyed the cookies that you made him, especially your familiar sweet voice.

Dennis, Cindy and Sherry, on behalf of my wife Carolyn, daughter Carrie and son Derrick, we all want to express our condolences,

loving thoughts and prayers to each one of you and your families for your loss. We pray for God to give you all strength during this time of morning. May all your loving memories of your mother Charlene be of comfort.

Love Always,
