“ *Dad... last Wednesday was our 6 year mark without you. There is not a day that goes by that you are not thought of in one way or another. We still laugh at your antics and smile with the thought of you. We have had so many new additions to this family it's amazing, so many grandbabies have been born since your passing. We miss you pops, we all miss you so much, especially mom. We miss your orneriness, your laugh, your ability to tell us what is wrong with our vehicles without even looking at them. We miss your kind heart and willingness to help out complete strangers at any hour of the day or night. The holidays, the days, months and years are not the same without you, it's our new normal whether we like it or not. I miss you pops & I'll see you when I see you!! Love Chuckie Jr.*
