“ *Extending sympathy to Charlie's family. Charlie and family were a part of our community for as long as I can remember; his Sears store, his kids rode our school bus, Carolyn was our 4-H leader, the girls in our 4-H club, etc. May God and your many memories of Charlie carry you through the days ahead.*

“ *My thoughts have been with you the last few days even though I've been in CA. I first remember Charlie at the Sears Store. Over the years I've had many connections with the Scott family. I learned how much Charlie knew about Davis County history when I served with him on the Davis County Historic Preservation Commission. Charlie's service to the community will be greatly missed.*

Charlie was the best person ever to help from Sears to HP. I always looked for him. My kids loved working with him at the fair and work shops for their lambs. I will always smile just hearing his name. He will be very missed I know. My prayers for peaceful hearts as you share wonderful memories.
