“ *A sweet and classy lady that meant the world to my mom. She was absolutely her best friend. They talked every night and even though there was not much of an age difference she took such good care of my mom. Running errands, driving her places, etc. I was sad to hear of your loss but I'm sure mom and a Char are catching up on the news in heaven.*

“ I have been attending the senior citizen center for over two years. I met Char there and have so much enjoyed knowing her. She would always greet me and others with a "How do?" and a friendly smile. She was such an attractive lady that you would never guess to be the age that she was. She enjoyed playing Bingo and would always pick out a chocolate candy bar as her prize. Sometimes she would eat it while continuing to play Bingo. I was on the Senior Citizen Board with her and appreciated her ability to speak up about her concerns for the elderly. Char was so much fun, sharing her upbeat personality with those around her. She put a lot of effort into how she looked, sometimes putting lipstick on after she ate her meal. She drove to Centerville monthly to get her hair cut in the attractive way that she wore it. She often talked about how much she loved her family. I will miss Char but am so glad that I had the chance to know her. She will remain alive in the hearts of those who knew and loved her.
