“ *Jerry and I want to send our condolences to Chuck's children and their families. When we would go to friends one Saturday night a month to play cards ,the Moore girls were first on our list to babysit our 3 boys for the evening. I always knew they were in good hands under their watch. We have a great deal of respect for the Moores,and we want them to know our thoughts and prayers are with them all.May it comfort the family to know that Chuck and Connie are together once again smiling down on their beautiful family. Our deepest sympathy,*

“ Chuck was my neighbor growing up and I have many fond memories of Chuck and all the Moore family. Chuck didn't have an easy life, but he would give the shirt off his back for anyone in need. Chuck and Connie raised three great kids, who assumed extra responsibilities at a young age with Connie's illness. They are great people, just like their Dad and Mom! Sending all of you hugs.
