

Cindy Stockham

April 21, 1957 - September 2, 2020

Cindy Jo Stockham, 63, of Bloomfield, Iowa passed away on September 2, 2020 at the University of Iowa Hospitals and Clinics in Iowa City. She was born April 21, 1957 in Ottumwa, Iowa to Billie Laverne and Jean Katherine Shelton Stockham. Cindy graduated from Davis County High School in 1975 and worked at the Davis County Hospital as a transcriptionist for over 30 years.

Cindy was a very social person who loved visiting with people and spending time with family. She enjoyed traveling and visiting beaches in Mississippi and Florida. Other hobbies and interests of hers included; swimming, painting rocks to hide around town for people, spending time on social media, and shopping. Cindy could always be seen smiling, having a good time, and wearing flip flops – no matter the season. She will be deeply missed by her family and friends.

She is survived by her lifetime partner, Kermit Wood of Bloomfield; two sisters, Pam (Gary) Hoebeke of Bullard, Texas, Sherry (Larry) Hopkins of Troy, Iowa; brother, Bill (Sylvia) Stockham of Green Valley, Illinois; and several nieces and nephews.

She was preceded in death by her parents.

Visitation will begin at 3:00 p.m. on Tuesday, September 8, with the family present to greet friends from 5-7:00 p.m. at the Wagler Funeral Home in Bloomfield. Social distancing will be followed for the visitation and wearing a mask is recommended. Cindy's wish was to be cremated with a private scattering ceremony at a later date. The family requests, in lieu of flowers, that donations be given in Cindy's memory to the Davis County Look to the Stars Cancer Foundation.

“ *Shared the years as classmates and several class reunion planning meetings and every class reunion for the graduating class of 1975. Always positive, love you and your fun loving spirit. Praying for Kermit, family and friends.*

“ *I am so very sorry to hear about Cindy. Prayers and hugs to Kermit and Sherry and Pam and the rest of the family. Cindy was my second cousin but felt more like a first cousin. We shared many family reunions and she was great to come to my parents' small wedding anniversary party and later their visitations. She was fun-loving but also such a fighter when it came to battling cancer. From her Facebook posts, I could tell she had many friends she thought of as her adopted family. The world will be sadder place without her.*

“ *Sherry, Pam, Bill and your families. I sure didn't see this coming. I'm so sad. Most of my memories of Cindy are from church. She was very introverted but as she aged, she blossomed into quite a woman. She will be sorely missed. My sincerest sympathies.*

“ *One of the bravest and most positive woman I have encountered. What a warrior. You fought hard Cindy and now you will suffer no longer. I started teaching in DC in 1974 and I don't remember how I met Cindy because she was not a student but she knew everyone. Sincere sympathies to Kermit, family members and her friends. Rest In Peace now Cindy!* 🌹

“ *For Cindy, my mother's best friend. Thank you for the many laughs, my mother's happy smiles after your girls outings & those ridiculous tassel earrings which I will now be wearing in your memory....even though we both thought they look like curtain tie-backs. You will be very missed. Love you lady. Be at peace.*
