“ *My thoughts and prayers are with you Donna and the family during this difficult time. The Lord is good and Clarence is healed singing with his Lord. One day we will meet again.*

I met Clarence and Donna through my husband and his family several years ago being part of the Iowa/Missouri Ford Club. Clarence had such a sweet and funny personality. A very kind gentleman. I remember the first time going out to the farm and enjoying all of the pedal cars and decorations around the living room. You could see his love of them and his family. God bless you all and if there is anything you need, the Saffells are always there.
