“ *I went to a one room school house for grades K-6 at Hall #2. CC and Len walked with me toward home from school about everyday. They lived in the Jo Downing property and I continued walking further west toward home. During the winter, we would have sled parties on Webb hill. That was a lot of fun. We sometimes would have over 20 people joining in the fun.*

CC was a wonderful young man and I always enjoyed when he would take the time and visit with me when we met. I knew the "Camp family" very well. They were wonderful neighbors and we were blessed to have them in our community.

So sorry to find out about CC's passing. I extend my condolences to the family. Wishing you comfort and peace during this difficult time.
