“ *Curtis was a very nice gentleman.. he was a very well mannered and kind person to me at the library. Even when I called and asked questions he was very helpful in finding the answers to my questions. I have missed Curtis as a friend and employee at the Library. I think of him often.. I'm so sorry for his families loss. Rest in peace Curtis!*

“ Cant think of a better friend. New Curt for over twenty five years. Worked with him in many parts of our business. In my world he will be missed. Anglie and myself loved him so much. All of my family believe he is going to the best place where he will be loved. I will miss him so much.
