“ Quiet, smart, polite and handsome! Funny when you got to know him. Glad he was our classmate.

So very sorry for the loss of David. He was one of so many fantastic people I met while working at the library. He enjoyed books and was an avid reader. Deepest regrets to Kay and his family and friends. Rest well.

*I am so sorry for your loss, Kay. I have great memories of visiting my cousins, David and Danny, in my younger years. We were the youngest cousins in the Blankenship family, with me being 3 years older than David. The 3 of us were in 3 different states as adults, so we lost contact in our adult lives. I am so sorry I won't be able to attend his funeral. Rest in peace.*
