“ *You will be miss so much! I worked with DeWayne at Keith's for many years he was so much fun. He asked me to ride along with him and deliver Sunday papers late Saturday night well if you know me I was out late then help DeWayne. I always wanted to sleep but he thought I should roll the papers then put in a bag, we had so much fun together. DeWayne also married Sharon and I. Good bye my friend.*

“ Enough good things couldn't be said about this man! I didn't know DeWayne but for a better part of my life I've heard of his praises, good deeds and love of life and for those around him and complete strangers. He put up with his only son and loved him like no other, Mike (who was a good friend of mine i am proud to say) and no other father would of! That knot head used to brag he was going to spend time with his dad. Get Kfc and watch Hee Haw dvds. Heck, Mike was the one that wanted to eat fried chicken and watch Hee Haw and I told him so! My deepest condolences and sympathy to all his family and all the people he touched in his lifetime and those that he left an everlasting impression and impact on.
Please let me know if I can be of any assistance. The gate up there will be wide open for him!
