“ I will miss my friend Diana. Her laugh and ability to make others laugh. I worked with her for many years at BCC and she made residents lives happy. Either in working as a CNA or as activity staff she recognized their worth as a person and helped them see that value in everyday things. She was a giver in so many ways.

“ Please accept our deepest sympathies for the loss of a wonderful woman. While my mother-in-law, Ida Horn, was a resident at the care center, Diana took care of her. While Ida could, on days, be very cantankerous and difficult, Diana could always get a laugh from her. Diana would always talk to us about home much she loved Ida. She was a wonderful, kind caretaker and an even more wonderful and kind person. She will be missed by many.
