“ *I knew Doug from his work at the funeral home but didn't really talk with him until he was at the Nursing Home where my Dad, Bob Carr was living. I talked with him often there and know we both enjoyed the conversation. He was always smiling and a joy to visit with. He will be missed.*

“ Hi Paula. I am Joyce Kramer, formerly your Kindergarten teacher, and I wanted to share with you my husband Bill's memories of Doug. He said that your Dad was one of the toughest and strongest 120 pounder that he ever coached in football. He also said that Doug danced with Millie Horribin's dance classes and could lift some girls above his head.

As lion, Bill noted that he collected pins and had quite a collection as well as being a faithful Lion to collect glasses, go to National conventions and do something about taking eyes from people who had passes. [All of this gets "iffy" in the translation. However, Bill was very complimentary about your Dad.

I just remember him as being quite gregarious. with a smile, he could talk to anybody at any time. And..he was sooo kind and helpful when Bill's son committed suicide.

I am sorry about this loss and the recent loss of your Mom, Paula. It is hard for you to have lost both parents and I know how proud they were of you and your children. They will miss knowing these loving grandparents. . Joyce

“*Doug was a wonderful person. He was so kind and helpful when mom died. He made her passing so much easier as we shared funny stories about mom's dancing school. Doug was a great dancer, but he was also the strong guy ... he did the amazing lifts with the girls. I loved watching them practice.*

I'm so sorry to hear of his passing. My condolences to his family.

“*Doug was one of the most positive and uplifting people I knew. He was my diving coach in High School and used his positivity to push us divers to the edge of our abilities. Praying for Dougs soul in Heaven.*

“ *Uncle Doug could always make me laugh, he was so full of joy and it was contagious. I will always remember our summer trips to Ottumwa growing up and him taking us fishing and chasing snapping turtles or staying at the cabin by the lake or going up to the country club pool. He reminded me so much of my dad that it was such a comfort to be around him or talk to him, love you uncle Doug, Rest In Peace!*

“ I am sooo saddened to hear of Doug's passing. He was such a kind man & firmly believed everyone deserved to be shown dignity in death. Robertson~Jay Funeral Home was the only funeral home in Ottumwa that would accept pmts instead of giving you 30 days to pay off a funeral, which many residents didn't have if they didn't have insurance to cover funeral expenses. Both Doug & Diane were so very generous & understanding when it came to this sensitive matter. Many of my family members were shown such "dignity" in death. Because of this, I developed a friendship more than a business relationship w/Doug. He was ornery, always had a smile & a hug for you, while maintaining professionalism. You will be greatly missed. Condolences to his daughter, Paula on the loss of a great & gentle man ~

“ Growing up my entire school age years with Paula, I always enjoyed seeing Doug & his big ole smile... He like my own mother was never short on words (Lol) & was kind to all.
... I am so very sorry Paula for your loss & I know exactly what you feel right now... Six months since my mom passed & I still feel like it was yesterday, but you somehow just keep living another day & another...Etc... I am thinking about your family Paula right now & I always will remember Lil Doug's Huge Smile !!! :)

Doug was the cousin I looked up to, respected, and loved so much from when I was a little girl on up. He was always upbeat, funny, warm. He and Phil were the big brothers I never had as a young girl. Loved watching him do his Russian dance, it was amazing. So good hearted. Heaven got a good one this time for sure!!

Doug was an old dance partner at Millie's. I have a wonderful picture of the two of us as Russian dancers in boots & hats. He was so strong & always happy & supportive. We were also neighbors long ago for a brief time when I lived in the curve on Wapello. I learned to dance to his mother on the piano. We dance people were like family. Paula, your mom & I were friends in 4 o'clocks, church...so much time together. I am so sorry for your loss. He was. Very good, caring man & they were both good friends.
