“ Emery was a very special Cousin in Our big Bohi Family Clan. Emery was always smiling and was so very kind to everyone. He would lend a helping hand to anyone that needed welding and mechanic work done as a backyard project. Most times He refused to take any compensation for His quality work. If a project needed modification to fit into a different spot, Emery could re-manufacture it and make it work.

In the past few years, Emery would make many visits to My Parents "Roy and MaryEllen Bohi", as they were homebound, these visits brightened their days. You also visited My Nephew Tony, and so many others. I feel that God had Blessed You with kindness and compassion, and this is a great gift that many more of Us need. You were an example, and I thank you.

I believe that You are now in God's Heavenly Home, with Your Mother, Father, and many more relatives and friends, resting in peace and pain free.
