“ We so enjoyed the many visits we had when we were much younger and not so occupied with our businesses. The square dances and rodeos back when were very good entertainment with good folks.
She has been in my prayers since we talked last.
Love with much sympathy-a card and donation will be in the mail

Raised a good family. Never had the opportunity to meet her, but was blessed to meet her Grandson Kris. His nurturing spirit must have largely come from her, from all that I have read. Carrie Newman
