“ Sandy, Joe and I send our thoughts and prayers for you and family. Joe enjoyed talking with Gary whenever he was there to do repairs. I will never forget the first time I came with Joe to do repairs. Joe had just sold my favorite tractor, a Massey Ferguson 180 and I was mad. When we pulled into your farm, there was a little Massey Ferguson 180. I told Joe he needed to ask Gary if he would sell it. Joe said he had already tried after I threw a fit when I found out he had sold ours. Gary just grinned at me. I couldn't help but smile back when I saw the twinkle in his eyes. God Bless.
