“ *Greetings to faraway cousins! I am so sorry to hear about one of the last of the "Great Scott" generation. Uncle George and our mom, Elinor, were tough cookies, living especially long full lives. My e-mail is khagen33@gmail.com if anyone wants to stay in closer touch. We were lucky to be in contact with Glen Kerker who saw the notice and let us know. I did not see Uncle George since we were quite small, but I have good memories of him.*

*Best to all,*

“ Our family definitely will not be the same without Uncle George. He was one of a kind. An honorable, kind-hearted gentleman. We had fun on Uncle George's farm and lived in a trailer house on his property for awhile... I remember being chased down the hill into the creek by Billy goats and back up the hill to the house. We helped him with farm chores and enjoyed riding horses... We shared lots of family meals together and always laughed a-lot. Our prayers and thoughts are with you.... Love Beth
