“ I call her Aunt Sissy. I have no idea how she got the name Sissy, but I know it goes way back and that's what I called her from my birth.

Sissy was a lovely lady, always thinking of other people. She didn't like Canteens from Ottumwa, for some silly reason, I don't know what that reason was, but we all forgave her for that.

Sissy and Uncle Ron had a welcoming house and a fun place to go with their kids, Kirk and Mike. There were always lots of fun little things in Sissy's house and wonderful times there.

Later, after Ron's passing and Sissy infirmed, Sissy still maintained her same exact sunny disposition. I think she knew she'd be OK.

Sissy was always sunny, and I can't wait to ask her why she didn't like Canteens,
