“ *To the Family of Gurada: So sorry for your loss, I got to know her when I worked for her, we had some fun playing checkers and when a friend of us both (Kevin) would come over we would play. Bingo . We had several good times together, she would have me help her with puzzles that she would be putting together. And watching the older Country Music Shows. May God give you the comfort that you need at this time. God Bless Each and Everyone of you.*
