“ *There really aren't adequate words to describe what Aunt LaVelle meant to our family. There is not enough writing space to tell of our Love for HER.. From dressing us upon birth, to bringing our babies home from the hospital, she was always there!! I always felt like she was my 2nd mom,.when I lost my mother (her younger sister) when she wasn't 50 yet, I felt like she took the 4 Munn kids under her loving wing. That meant when we had children of our own she took on the grandmother role for them also! Spending a week of summer vacations with her was such a treat. I could write pages about her. We also have wonderful memories of her going on vacations out of state with us. We so loved playing cards with her. Essentially, wherever Aunt LaVelle was, that is where I wanted to be! And that is truly why now I'm already looking forward to seeing her again in heaven. Pattie (Munn) Wray and family.*
