“ David and I went to kindergarten together in Belnap. He didn't like it one bit, he cried and wanted to go home, I went over and sat with him and put my arm around him and said it will be OK David, He was always so quiet, but would always give me hug when he saw me.

I see both his mom and dad in his face and eyes. He is a beautiful soul.

When we look in the mirror we see our family members!! Love you Cousin!!
