“ Sincere sympathy to Ron and all other family members. I so enjoyed Judy when I too, worked at the Davis County Hospital. She was always wanting to help and she gave the BEST back rubs. Just another way she showed love to others. Bob was great too! Always ready to give a smile in the hallways as we went about our duties. I still smile at "hospital" memories and the precious people who worked there. May God draw near to bring strength, comfort and peace.
