*A very nice heart felt service this morning.
Thank you Jeremy, Teresa and Wagler's.*

*A bright cool fall day with green grass blowing in a light wind.
A day that the lord hath made - rejoice and be glad in it !*

*A good day to be alive. Make the best of today.
Give your loved ones an extra hug and tell them you love them. We
don't know what might be coming down the road for us.*

*Make someone laugh.
Even in his darkest days Kris kept his sense of humor.*

*Help someone out who is having a tough time.
As a nurse Kris helped care for others and then others cared for him.
Thank you to all his caregivers and friends that made a big difference
in helping Kris through an extremely difficult part of his life. Theresa,
Rick, John, Karen, All the Staff at Good Samaritan and many others.*

*Music was big part of Kris' life when he was in school and it just
wouldn't have been right to send him off without a song.
When he was in the 8th grade he played guitar and sang "Blow'in In
The Wind" at a talent show. We sang that song for him this morning.
Kris walked down many roads - farmer, teacher, counselor, nurse.
Mainly it is a song about being free and he is free now.*

*Thank you for the many prayers of healing for Kris.
The answer wasn't "no".
It was just "not now" -- not until the resurrection.
God has promised he will wipe away all tears - a tremendous promise !*

Goodbye until the resurrection when we will all meet again.

Rest in Peace my friend. I know these last years were wicked for you, but I will always remember you when times were better and we were just carefree kids.

“ *Kris and I grew up together as classmates and close neighbors. We rode the bus together to school everyday. We would always sing silly songs on the bus. I would always go with my grandparents to his house to get fresh eggs. I haven't seen Kris in years, but he was always in my thoughts and heart.*
