“ *Life at the Lake...Mike and I knew when we heard a gator, lawnmower or tractor we might be getting to enjoy a few minutes of conversation with Larry. We all threw around some of our expert opinions on subjects, reminisced, and laughed a lot. Our conversations always ended with a wave, and a "See You Later". We, also, enjoyed the company of Larry & Donna, the last few years, for a celebration of our anniversaries with them and Steve & Renetta Blew. All of our anniversaries are only a few days apart, and for years we would say we need to get together and go out....well, we finally did that for the past 3 years. We always said, "Why don't we do this more often?".. but time rolls around and it's March again and we go out for our one time celebration every year. So Much FUN!*

You will be greatly missed, Cuz!
