“ *Larry was the manager of the high school basketball team. He was the originator of the half court shot. He would two hand over his head and the ball would absolutely slam into the backboard. Rest in peace Larry. You were quite the guy!!*

“ Larry Lough, what a guy! I'm having a hard time figuring out which memory I want to share....there are so many....and all so great! I guess one of my favorite times with Larry was the times he would come to our house and play cards with the gang that came every weekend. I think his favorite game was Spoons....he had the longest arms....and although my dining room table almost didn't survive I can still hear his wonderful laugh!!!

We, also, always enjoyed going to the Davis County Fair and riding the tilt-a-whirl with Larry! And there was the time he got on the octopus with Mike's Dad Darrell....and, of course, all the stories Mike has shared with me about the fun times they had when Larry worked for Darrell putting up Chief Grain Bins. He was a joy to be around and we loved him dearly. Love You Always Dear Friend,
Mike and Cody Kerby
