“ *I remember Larry repairing our VCR and gaming devices when I was a kid, saying hello if I seen him at the hospital, or the stern sound in his voice when he would tell Adam and I to stay out of trouble. My deepest condolences to Jennifer, Heather, Brad, Adam and entire family.*

“ Larry was such a wonderful friend. We spent almost every Saturday together watching western movies we had seen before. We rode trails in the ranger putting out trail cameras. And then checking the pictures every week sometimes we just sat and talked. We mowed clover food plots with him on the small tractor and me on the big one. Damn I will miss him. Rest In Peace my friend and may god be with his family and friends.

“ It was always great seeing Larry & Jenifer at Lake Wapello when we were all camping about every summer. Seems unreal since we live in the same town that we didn't really see each other much except for there. We did happen upon Larry flying his airplane one summer at Lake Wapello, also! We loved it! It was always great to visit with them and catch up a little! Thinking of the Family. Prayers, Love & Hugs!
