Hi Jaime. My name is Megan. I unfortunately also am a child of him. If you would ever want to talk, let me know. I didn't know him much either.

I didn't know him, but I knew his parents. They were amazing people. I loved them with all my heart and miss them dearly. Leo and Dora McMullen were my great grandparents. Judy is my grandmother. All of you came from a beautiful family with a rich history. I just wanted to let you know that. My Great grandmother was one of the strongest woman I have ever ment. The name McMullen is a name you can be proud of Jamie, for it did not just come from Lester it came from Leo and he had a heart of gold.
