“ *I sent Linda a beautiful CLOWN! She liked her clowns. At her retirement gathering i brought her a clown, we both teared up, then her Jack & myself ordered a beer. What a great memory. I subbed for Linda & Patty until they retired. After that i quit. I was not subbing for any one else. there was nobody like Linda Prevo. I got the chance to meet her daughter Deb, and every day on bus duty i would always wave at her, and when we were done Linda would take Makinize? home i would always teased her. I WILL MISS LINDA & her family. Linda RIP Love Tammy Spears!*
