“ There could not have been a better Aunt. She and Rex were like second parents to me growing up. I often threatened to leave my parents and head to Bloomfield. Aunt Lois would laugh when I told her that and then whisper to me, "I would like that just fine Jilly" with a wink. She was such a special lady, and no matter how much time passed, we were always able to pick up right where we left off. She will be missed by so many.
