

Loyd Miller

August 27, 1925 - April 19, 2021

Loyd Allen Miller, 95, of rural Bloomfield, Iowa passed away on April 19, 2021 at the Bloomfield Care Center. He was born on August 27, 1925 in Selma, Iowa to John Sherman and Mary Ethel Nicklin Miller. He married Betty Frances York on March 16, 1957 at the Bloomfield Christian Church. Betty passed away on July 5, 2016.

Loyd was in the military from 1950-52 and was stationed in Louisiana serving as a military policeman. Sometime after returning from the service, he purchased a farm near Bloomfield and began raising cattle and hogs. He truly loved being a farmer. He was a member of the Bloomfield Christian Church, loved gooseberry pie, and cheering on the Iowa Hawkeyes. He enjoyed all animals, especially the cats and dogs that were family pets over the years. Loyd was a caring husband, father, and grandfather.

He is survived by his daughter, Mary (Jeff) Snook of Bloomfield; son, Mark L. Miller of Bloomfield; two grandsons, Joe (Luke Wagner) Hootman of Waterloo, Iowa, Adam (Jessica) Hootman of Bloomfield; two great-grandchildren, Rhett and Remi Hootman; sister, Evelyn Canaday of Fort Collins, Colorado; a niece; and a nephew.

He was preceded in death by his parents and wife.

Loyd's wish was to be cremated and a family graveside service will be held at a later date at the IOOF Cemetery in Bloomfield. A memorial has been established to Good Samaritan Hospice in Ottumwa. Wagler Funeral Home is assisting the family.

We were so sad to hear of Lloyd's passing earlier this week. Now, he is reunited with Betty. He was a wonderful neighbor willing to help with whatever was needed. His dry sense of humor was always delightful. He was one tough farmer. A story to support that claim... He had outpatient surgery some years ago. The next day he drove the four wheeler down to check the cows. I ran over to help him open the gate. I asked him "Didn't you have surgery yesterday?". He answered, "Well, yes." I said "What are you doing out here on the 4 wheeler checking the cows? Are you supposed to be doing that?" His dry answer was "Well, I'm going slow." I know I could not have gotten on and off a four wheeler a week after that surgery, let alone the next day. He will be missed.
