“ What I would give to have you back just for you to pick up the phone one more time just to tell me I'm a pain in your butt I miss you best friend. They say it gets easier as time goes on but it really doesn't I'm stuck in this dream I can't wake up from. I wasn't ready to say goodbye to you. I love you Luke till we meet again you are my forever best friend

“ *My prayers to Luke's family. His kind heart was huge and as a student at Washington High School he was always willing to assist others. He shared his adventures and many jokes. His smile lit up the room. We talked many times after graduation; I was always thrilled to spend time with him. I was always greeted with his infectious smile.
Saddened.*
