“ I wish I'd had the opportunity to know Aunt Mae better. I remember very fondly my family's trips to Colorado and staying with her and Uncle Bob. She was as tough as they come when it came to battling health issues but she didn't have a mean bone in her body and she exuded common sense. I regret I'm unable to make the trip to Iowa for the service. I know she and her beloved Bob are once again together and smiling.
