“ *Margie Faye and I were close those early to mid teenage years. We were "kissin' cousins". I spent a lot of evenings at their little home; Walt and Aunt Helen always made me feel welcome. I used to help Walt run his nets, in the dark of night. And Margie Faye spent a lot of time at my home just a block away. I hardly saw her after the 50's, but I will always cherish the memories of those childhood years. Ed Aubrey*
