“ Martha was a very special lady, and I was so proud to call her my aunt. I have a lot of wonderful memories with her from childhood. But what I will cherish most about her is the way she looked after me after Grandma Ann passed away. She knew how close I was to her, and she always made sure I knew that she would always be there for me if I ever needed anything. She tried to teach me how to quilt but I never did get the hang of it. She will forever be missed by all who knew her. I am so sorry I will not be there with the rest of my family when she is laid to rest, but my new job keeps me from attending. I love you Aunt Martha and I will miss you so much.
