“ *What a great women! Always worried about the animals in bad weather. Lunch with the law will not be the same without her and nobody could make a rooster sound as good as her after winning bingo. Always made me smile. What a joy to get to know her at the care center. Will miss her greatly!*

“ Mary was a special lady. I always enjoyed talking to her when I went to visit Mom and Dad at the Care Center. She and Dad had gone to school together and the families had known each other forever. She always had a positive attitude and a song to sing. She ,are me laugh on one of the last times I saw her because she said she hadn't planned to go past her hundredth birthday, but when she went to see St Peter he said it wasn't her time and sent her back to "this hell hole." . I imagine she's happy now. My condolences to the family.

“ Caring for Mary was one of my favorite things to do! She always asked how she looked today after brushing her hair and we told her beautiful as ever! She then would go on to tell us ok operator. She will be greatly missed! Always had us laughing!

Mary was a bright light for residents and their families, too. "Keep on the sunny side!" She lifted our spirits many times. I hope that song never leaves my head ❤️
