“ *We have so many great memories of both Maxine and Harvey as wonderful neighbors for many years. We would walk by the house and often just stop in to visit. Maxine shared so many things from her garden and fruit from her orchard with us. We had a lot of pear and grape jelly thanks to them! They were such gentle spirits and we admired them so much for their contentment with life. We extend our sympathy to your families. You were blessed with wonderful Christian parents. Our love , prayers and sympathy to all of your families at this time of loss. Dianne and Gary Knapp*
