“ *My uncle Mike was more than just an uncle to me. He was like a caring father and friend. We spent many late nights chatting on the phone about life and he always had words of wisdom and encouragement. I will forever miss his smile, his voice, his laugh, and his hugs. He will always be one of if not the best man I've ever known. Until we meet again - Love, Sarah*

“ I remember Mike well. He was always kind to me and fun to be around. I think I remember him best as a teenager because of horses, the Troy rodeo grounds (been more than 50+ years but I think my memory serves correctly) and my first time riding in a horse show at Ft. Madison. And holiday dinners! I'm sure you will be very much by your loved ones.

“ This picture is how I remember Mike. Always had a smile on his face and something "witty" to say. Thankful to see that he too is in Heaven and we'll get to reminense, laugh and worship our Lord Jesus for all eternity. My sincere condolences to Mary Beth and those precious to him as they mourn.
