“ *What to say. So many wonderful fun memories with my cousin. Riding horses, sleeping overnight in her room upstairs in the old house and listening to the bees in the wall, skating together at Agency Iowa Skating rink, walking to the bridge and having heart to heart talks and Paul, you and us fishing in Canada and camping here in Iowa. I love you cousin, and I will always pray for those sweet kids of yours.*

“ I'm sorry to learn of Nancy's passing. I worked with her mother and her at the hospital. I'm so thankful we had a nice conversation at the fairgrounds the summer Paul passed away and shared pictures of the quilt's we've created, grandchildren, etc. I didn't realize she was so close to me when I too, lived in Pleasant Hill. She'll be missed by many and I send my sincere sympathy to all who loved and will continue to love her. I know you have many precious memories and those will grow more precious as the years go by. She was a special, loving lady.

I knew Nancy from her visits to the library, along with Paul and Clyde Carr. She was always fun to visit with, loved to read and was a very nice lady with a smile. Sympathy and prayers to the family.
