“ *Paul was a good friend, colleague, and lifetime fishing buddy to my Dad. You know Paul was a special guy teaching and coaching for all those years at the same school district and remaining in contact with so many students and athletes over the years. I know Dad greeted him with a ornery smile on the other side. I am so sorry for your loss.*

“ After I started posting things to the Bloomfield Public Library's Facebook page, in 2020, Paul would occasionally comment on one. I appreciated the perspectives that he would bring to my posts. :)

I'm sorry to hear he passed.
